As you likely know by now, Ben Grumbles signed a special case letter this morning. Neither we nor wetlands division has seen the signed version. Greg Peck would like to have a call with Dave Evans and Brian Fraser in Wetlands Div., along with R9 folks (Alexis, myself, and one or more ORC folks as available). Ideally, we could do something before 10 this AM as water division has a 2 hr. planning meeting then. Please advise as to your availability and I'll set something up with HQ. Many thanks.
